Home Visits

If you're new to Chrysalis, we'll visit you at home to complete a care profile & risk assessment, discuss your holiday wishes and answer any questions. Home visits are free within 50 miles of our office.

For longer distances, we will aim to complete our assessment remotely, via video call and email. If a long distance home visit is necessary we will require a contribution to our costs.

Care & Key Workers

Each holiday is led by an experienced manager, and the activities by qualified professionals when appropriate.

Also responsible for your wellbeing is a fully trained member of care staff assigned to support you during activities and help with your daily needs.

Our team of staff are always on hand to assist with any eventuality.

Care Packages & Prices

We assess your support needs at your home visit and review this after each holiday. Most guests require either our 3:1 or 1:1 packages.

Prices listed are inclusive of single room full board accommodation, outings, activities, home visit, transportation (from the pick up points listed below) and all care & support. Due to the range of activities that take place during our holidays we sometimes require you to be supported at a higher staff ratio than you might receive at home.

Staff are in residence on our holidays 24/7, but expect a good night's sleep. As standard we do not have staff on duty overnight. We can provide a waking watch if required, charged at £210 per night.

Our standard 1:1 support package provides 1:1 care for all personal care and when out in the community, there will be times in the accommodation when the customer is not supported 1:1. Higher levels of support or supervision can be quoted for on request.

Transport

Free transport is provided from these locations:

- (New) Chrysalis Office, St Ambrose Barlow House, Manchester Road, Astley, M29 7DZ
- Lymm Services, M6/M56 intersection, WA13 0SP
- Birch Services, M62 J18-19, OL10 2RB

We can stop along our natural route if you would like to arrange a convenient meeting point with us.

We can also meet you at the chosen holiday venue (/airport for abroad holidays).

Home Pick-ups

We offer door-to-door travel for £55 return, within 20 miles of our office.

Longer distances are charged at 65p per mile (two round trips for our driver). If an assistant or second driver is required, the cost will increase accordingly.

If you would like a quote for a long distance pick up please contact the office.

Discounts are available to guests travelling from the same address to the same holiday.

Booking Conditions

CANCELLATIONS

If you cancel a booking your deposit will be forfeited. If this happens more than 4 weeks (8 weeks for abroad) from travel you will receive a full refund less the deposit. If you cancel within 4 weeks of travel you are not entitled to any refund. It is recommended for UK holidays and essential for abroad holidays that you purchase holiday insurance to cover this and other eventualities.

If changes in medical circumstances make participating in a holiday untenable, this constitutes you cancelling the booking.

We reserve the right to cancel holidays and holiday places. Should this happen for any reason you will be refunded in full, including deposit.

HOLIDAY CHANGES

We make every effort to fulfil the scheduled programme but reserve the right to change dates if necessary. In such circumstances you have the right to cancel your holiday and receive a full refund, including deposit. All holiday itineraries are subject to change.

INSURANCE

Chrysalis Holidays has a comprehensive public liability indemnity policy but does not provide individual holiday cover. We recommend that you obtain your own personal accident, 'all risk' & cancellation cover.

PROPERTY

Every effort is made to ensure the safe return of all items, but Chrysalis Holidays takes no responsibility for any loss or damage to customer property. A holidaymaker is liable for all damages made to our property or the property of others if it was a deliberate act of vandalism and no prior guidance was in place to warn of the potential risk.

MEDICATION

Chrysalis staff can only administer prescribed medications that are in their original packaging with clearly legible labels. All customers must adhere to Chrysalis' medication policy which will be detailed in your holiday information booklet.

RISK ASSESSMENTS

Before each holiday, guests receive their personalised risk assessment. To ensure we have the correct level of care in place, it is essential that this is read, updated where necessary, signed as correct and returned before the commencement of the holiday.

HOLIDAY TERMINATION

Chrysalis Holidays reserves the rights to terminate a customer's holiday for behavioural or medical reasons. In this event it is your responsibility to arrange transport home from the holiday venue and organise relevant care at home. Otherwise you will be billed in full for transport and staff costs incurred. It is strongly advised you take out insurance to cover this eventuality.

SUPPORT CONSIDERATIONS

All guests must respect the group nature of our holiday programme. 1:1 support means a member of staff is solely assigned to your care needs, but does not allow for complete autonomy of itinerary, nor necessarily 100% supervision. If this is required it must be discussed and arranged in advance. We reserve the right to insist on providing 1:1 support for guests who persistently refuse to take part in activities, or a waking watch for those that need regular support during the night.

PHOTOGRAPHS

With your consent, we may use holiday photos for brochures or social media. You can opt in or out by ticking the appropriate box on your first holiday risk assessment. Your choice is remembered for subsequent holidays, but you can inform the office any time if you change your mind.

COMPLAINTS PROCEDURE

Complaints and comments can be made on the customer survey form which will be sent with the souvenir photo booklet after each holiday. Alternatively please do so in writing to Sharon Ainscough, at the address found on the back page.

DATA PROTECTION

We're fully GDPR-compliant. We only collect information essential to provide our holiday service, securely hold the data, never passing it to 3rd parties, and safely destroy all information after 6 years of no contact.
